

The Problem-solving Process

1

Identify
the
Problem.

2

Brainstorm
Possible
Solutions.

3

Evaluate each
Possible Solution:

*Is it fair?
Is it safe?
Will it work?
Does it respect
everyone's feelings?*

4

Choose a
Solution
and
Try it.

5

Evaluate
the Result:

*If your solution is
not working,
try another one.*

*If your solution works,
thank everyone who helped.*
