

In celebration of the 5th Anniversary of the Dedication of the Solanus Casey Center, we would like to invite you to continue to your support of this beautiful place of prayer and reflection with a new venture!

If you've made a pilgrimage to the Solanus Casey Center, you probably remember well the undeveloped "back yard" outside the dining room windows. Well, barren spaces be NO MORE! In place of this open field, will now be a Votive Candle Chapel and Garden, providing you with another opportunity for prayer and a further beautification of this oasis in the midst of the city.

Why build a Votive Candle Chapel? There are several reasons! First, we have had MANY requests from our pilgrims to supply a place where candles may be lit as reminders of prayer requests that have been brought to this place. Due to regulations from our insurance company and the Fire Department, those candles could not be placed within our Chapel. Now, however, this new vigil chapel will provide a place for candles to be lit and prayers to be shared.

Second, we have two beautiful marble statues of the Sacred Heart of Jesus and Mary Immaculate that have been in storage since the construction of the Solanus center began. They will now have a permanent and worthy home.

Would you like to help us in this effort? We will, again, be offering Brick Pavers as memorials of your generous donations or in memory of a loved one. Or make a donation, in any amount, toward this project.

The brick pavers are available in two sizes. The 4 x 8 inch pavers can be inscribed with your personal message for \$500 and up. They can be engraved with up to three lines at 15 characters per line. The larger 8 x 8 inch pavers can be inscribed for a donation of \$1,000 and up. They can be engraved with up to 6 lines at 15 characters per line.

Please see the next page for more information and an order form for pavers or to make a donation. You may make your donation with by check or credit card on this form (your credit card statement will read "Province of Saint Joseph").
