

BLESSED FATHER SOLANUS CASEY

Prayer For Young Adults

Loving and gracious God,

The giver of all life and blessings. We Thank You Ahead of Time and praise Your goodness.

You created us in Your image and likeness. Grant us the gifts of Your Holy Spirit and like Blessed Solanus Casey, the desire to be instruments of Your Love. Allow our lives to be the hands, feet and heart of Christ; that we reach out to those in need; walk with those who feel alone; and embrace those who may not know the everlasting Love You offer. We ask, through the intercession of Blessed Solanus Casey, as young adults we strive to live our lives in radical gratitude and prayer.

Amen.
